

# Tablet Panel PC with Touchscreen

12.1" WXGA TFT LCD, 1280x800, 400nits, 5-wire resistive touch panel, VIA C7 M 1.6GHz, 1GB DDR2 SO-DIMM

Model: BTPC1210VT

## Features:

- Built-in touch screen
- Provides 1 x Express card slot, Smart card slot
- Provides Wi-Fi function
- Rubber protection on each corner
- Battery back up/rechargeable
- Black, white and orange colors can be choice
- Option for GPRS, GPS function
- Option for Bluetooth function
- Option for TV tuner + antenna
- Option for VESA mount kit with magnetic card reader

## Options:

- Battery pack
- VESA mount kit
- GPS module
- Smart card reader
- Vehicle docking

## System

Processor: VIA C7 M 1.6GHz (400MHz FSB)  
System Chipset: North Bridge: VIA VN896, South Bridge: VIA 8237A  
System Memory: 256MB-1GB DDR2 SO-DIMM 200-pin RAM  
Storage: 256MB-8GB SATA Flash, Option 2.5" HDD, Option SSD  
LCD Panel: 12.1" WXGA TFT LCD  
Resolution: 1280 x 800 pixels  
Graphic: Integrated graphic engine in core logic  
Touch Screen: 5-wire resistive touch panel  
I/O Ports: 1 x Express card slot  
1 x 15-pin D-sub port  
1 x USB2.0 port  
1 x 10/100 LAN (RJ-45)  
1 x Modem port (RJ-11)  
1 x Audio/MIC ports  
1 x Stereo Speakers  
Networking: RealTek RTL8100C 10/100 Mbps Ethernet  
Built-in internal 802.11 b/g/n wireless module  
Accessory: Two stylus  
Option Accessory: GPS module  
Smart card reader  
Vehicle docking  
Security Slot: Kensington security slot  
Battery Pack: Standard Li-ion 6 cell smart battery (Battery life :3.5hrs)  
Dimension (HxWxD): 35 x 297 x 210 mm  
N.W.: 1.4 kg (with battery)  
G.W.: 2.5 kg  
Warranty: 2 years warranty (3 years option)
