

TPC Series All-in-One LCD Display PC

32" Widescreen All-in-One LCD Display with Removable PC and Optional Touchscreen

(Model: TPC3200A)

The TPC3200A is the most efficient all-in-one system ever produced by iTechLCD. Featuring the 32" TFT/LCD display in full HD (1920 x 1080 resolution) the TPC3200A has a removable modular PC allowing for easy maintenance. The integrated design and extractable/replaceable modular computer allows you to place this interactive digital sign wherever you need it. Simply mount, plug in and turn on and it's ready for you to add your own Windows® or Linux software applications.

Features:

- *Revolutionary All-In-One Design*
- *Self-contained PC is easily removable and maintained*
- *All-aluminum enclosure and security cover to restrict access to all PC inputs, outputs and power connections.*
- *Optional integrated touch screen (optical multi touch also available)*
- *Brilliant 32" TFT/LCD Full HD Widescreen Display*
- *Energy efficient*
