

## 1. Purpose

1. TFT-LCD In order to stabilize supply, introduce new manufacturing process.
2. To optimize circuit design  
 MCU IC

## 2. Comparison

### 2.1 Specifications

Model Name	FCOP0560-TR	FCOP0560-TR-V2
Inside module		
A/D Board Circuit design optimization		
Software	Program optimization	
Total Current@5V	260mA(±15%)	240mA(±15%)
