1U 20" Vented Rack Mountable Sliding Shelf, 100 lb. Weight Capacity
Mounting depth adjusts from 19" to 28", Weight 14.00 lbs

Model: KHRMS-400-01

Our sliding rack shelves offer ideal solutions for accommodating servers, keyboards, KVMs, switches, or any other component necessitating convenient rear access. With a built-in front lip, sliding the shelf in and out becomes effortless, while the 4-point adjustable mounting ensures versatility, making this sliding rack shelf a savvy addition to any network rack or cabinet.

FEATURES:

- Easy to install
- 100 lb. weight capacity
- Mounting depth adjusts from 19" to 28"
- 17.72 maximum slide extension
- 20" depth
- 19" EIA 310-D compliant
- Made in the USA
- Limited Lifetime Warranty

|	
Adjustable Mounting Depth	The sliding shelf is compatible with both 4-post racks and cabinets of various depths. Its 4-point mounting style allows adjustment from 19" to 28" deep, catering to your specific network racking needs.
18" Extension	The ball-bearing rail extension smoothly extends out 18", facilitating easy access to the rear of components and devices.
Vented Sliding Shelf	The vented pattern facilitates maximum airflow, particularly beneficial for heat-generating equipment.
