

RACKMOUNT DRAWER

2U Rack Mountable Drawer
Model: KHRMD-100-02

2U Rack Mountable Drawer provides a secure space within your rack or cabinet for storing files, electronics, software, cables, testers, and more. By storing equipment within the rack, you'll save time running back and forth to retrieve it. The locking drawer will ensure your peripherals are protected from damage or unauthorized tampering.

FEATURES:

- 100 lb. weight capacity
- Smooth ball bearing slides
- 19" EIA compliant
- Made in the USA
- Limited Lifetime Warranty

Heavy Duty

The heavy gauge steel construction and attention to detail make this rackmount drawer capable of holding up to 100 lbs. Not only can you utilize the drawer but the top cover can double as a shelf for supporting more equipment.

Full Extension Ball Bearing Slides

The smooth ball bearing slides allow the drawer to be slid in and out with ease.

Four Mounting Holes Per U Space

Each rackmount space (U space) features four mounting holes so that the drawer can be securely installed. To maintain the maximum weight capacity, we suggest installing rack screws through every hole.
