

# 1U RACK MOUNT UTILITY/STORAGE SHELF

## 1U Rack Mount Utility/Storage Shelf

### Model: RMSH100

Optional cable management installed

Many optional keyboard and mouse/touchpad/trackball combinations

Sliding 1U rack mount shelves provide a flat front area useful for writing or using a mouse. The rear storage area is available in two sizes which accommodate keyboards, mice and general storage purposes. Comes complete with rack slides which lock out in the extended position. Optional front panel retainer screws keep the shelf retained in the rack when closed. A cable management arm is optionally available as are many keyboard/mouse/touchpad/trackball combinations.
